PRESENTS

Deputy Chief Mike Bryant Los Angeles County Fire Department

“The Station Fire: An Incident Commander’s Perspective”

What started out on August 26, 2009 as a 10 acre brush fire in the Angeles National Forest above the City of La Canada rapidly turned into the largest fire ever recorded in the history of Los Angeles County and the tenth largest in California history.

Deputy Chief Bryant was one of the Unified Incident Commanders on the Station Fire. His presentation will be in two parts. Part one will include an overview of the command challenges and accomplishments throughout the Station Incident. Part two will include an overview of the events leading up to the sad and tragic deaths of two Los Angeles County firefighters while performing fire fighting operations at Fire Camp 16

In the spirit of our shared interest in the safety and care for our fellow firefighters, and with Chief Bryant’s affiliation with Firenuggets, he is donating his time to make this presentation. Firenuggets will donate a portion of the proceeds of this seminar to the families of fallen Los Angeles County Firefighters Tedmund Hall and Arnaldo Quinones
